Re: RFQ No. 548013, Window Treatments (Detroit Police Department)

Handled Services LLC submits this quote in response to RFQ No. 548013 to supply and install tan/almond, UV-protected vinyl vertical blinds and replacement slats for the Detroit Police Department. This quote remains firm for 120 days from the quote due date.

Handled Services LLC is a Detroit-based services company providing installation, handyman, cleaning and property services through background-checked, insured crews. We will supply all materials, deliver, install, remove and haul away the existing blinds, and leave each room clean.

1. What we will supply

Item	Specification
Blinds	Commercial-grade vertical blinds with 3.5" PVC (vinyl) vanes, UV-protected, tan/almond color. A color sample will be submitted for DPD approval before ordering.
Headrail	Aluminum headrail with wand control (cordless; no loop cords)
Vanes	Bottom weights with connecting chain; vanes cut to each measured length
Wide openings	Openings over 144" wide receive two blind units on aligned headrails, so vanes stack cleanly at each mullion. 28 blind units in total for the 20 windows.
Mount	Inside mount to the window frame, unless DPD prefers outside mount
Replacement slats	20 each in 75", 48" and 46" lengths, in the same vane, color and finish as installed, labeled by length

2. How we will do the work

1. **Confirm measurements** on site with DPD's permission, and submit a color sample, within 3 business days of the purchase order.
2. **Order** within 2 business days of DPD's color approval. Typical fabrication and shipping time is 1–2 weeks.
3. **Install** within 5 business days of delivery, on dates and times DPD sets: about 1–2 days with a 2-person crew, one room at a time to keep disruption low.
4. **Remove and haul away** the existing blinds, and clean up each room.
5. **Walk through** with DPD's contact to confirm every blind operates correctly, and hand over the labeled replacement slats.

Installers are Handled employees, background-checked, in company-identified clothing, and will follow all DPD building security and sign-in procedures.

3. Warranty

Manufacturer's warranty on blinds and headrails, plus Handled's **1-year workmanship warranty**: if anything we installed doesn't operate correctly, we return and fix it at no charge.

4. Price

Window	Size (W × L, in.)	Panes	Room	Blind units	Price
1st floor A1	150 × 76	3	Lobby / Westside	2	$570.00

Installation, including removal and haul-away of existing blinds	28 units				$1,260.00
Total					**$7,895.00**

Delivery and all materials are included.

5. Basis of quote

- Scope and measurements are as listed on the City's Bid Sheet (20 windows, vertical blinds, replacement slats in 75", 48" and 46" lengths). If the City's answers to vendor questions change the scope, we will adjust at the same unit rates.

- Measurements are taken as the window-frame opening (width × length, inches), inside mount, and will be verified on site before ordering.
