# Before you hire — get it covered this week.

*Vetted, insured cleaning and facility pros for Detroit-area businesses, on your schedule.*

Dear [Name],

I saw [Company] is hiring a [cleaner / janitor / porter / maintenance tech] on Indeed. Before you spend the next few weeks screening applicants, onboarding and covering shifts, here's a faster way to get the work done — starting as soon as this week.

**Handled Services sends vetted, insured pros to do the job on the schedule you choose — nightly, weekly or one-time. You get the result of the hire, without the hiring.**

### What that means for you

- **No recruiting, payroll, taxes or workers' comp.** Our pros are independent, insured businesses — no W-2, no benefits, no turnover to manage.
- **No gaps when someone can't make it.** A backup crew is dispatched automatically, so the work still gets done.
- **Proof on every visit.** Time-stamped before-and-after photos land in your account after each job.
- **A price you know up front.** Order online in minutes: 25% books it and the rest is charged when the work is done.
- **Made right, guaranteed.** If anything's missed, we come back free or refund you within 30 days.
- **One vendor for the rest.** Repairs, grounds and snow, junk removal, courier and more — all on one account.

**Try us before you hire.** Book one visit at handledsvc.com/business and compare it with what you'd get from a new hire — or call or text me at (313) 639-9373 and I'll get you a price the same day.

Sincerely,

[Your name]
