Partner Success Playbook

Your success is our success. Three roads to grow your partner business, stage by stage.

Every customer you send gets an upfront price, a vetted pro, photo proof and a free redo if anything's missed. That makes them easy to send, and easy to send again. The fastest way to grow is to sell **more kinds of services to the same customers**, and to turn one-time jobs into recurring plans and accounts. Your partner page at **handledsvc.com/partner/grow** tracks every goal below from your real numbers.

How you earn

Way to earn	How it works	You earn
Referrals	Share your link or code, or send a referral ticket. We sell it.	15% of the job price, rising to 30%, on every job from that customer for 12 months
Direct sales	Write a sales ticket; the customer pays on your phone or from our text.	10% of our profit, rising to 45%, on every job from that customer for 12 months
Field Sales lead pay	A complete sales ticket for a new customer. Starts after 10 leads and 1 paid-out sale.	$10 per lead (up to 25 a week), an advance on that lead's commission

Paid every Monday by direct deposit (Stripe) once each job is 30 days past completion. Balances under $25 roll to the next week. Set up payouts first, on your partner page: we can't pay you until you do.

How your rate climbs

Every raise is one point and your rate never goes down. Raises come from the profit your customers' jobs bring in (direct sales count 1.5×, referrals 1×). Fast track: every 10 jobs is also +1 point, up to 20%.

Referrals (of the job price)	Reached at	Direct sales (of our profit)	Reached at
15%	—	10%	—
16%	$4,400	11%	$800
17%	$18,000	12%	$3,300
20%	$111,000	15%	$20,500
25%	$444,000	20%	$81,500
30%	$1,000,000	30%	$327,000
		45%	$1,000,000

Road 1: Neighborhood Connector

For: Anyone with a network: neighbors, friends, family, local groups, your customers. A few hours a week.

The promise: Turn the people you already know into steady monthly commissions by sending them more than one kind of service.

Stage 1: Set up and share

You can't be paid until payouts are set up, and nobody books until they've seen your link.

Goals	How	Sell
[ ] Payouts set up [ ] Your first customer	• Set up payouts on your partner page (2 minutes, Stripe). • Send your short link to 10 people who own a home or run a business. • Put your code on your business card, email signature and social profiles.	House & Office Cleaning, Junk Removal, Handyman

Unlocks: Your first commission, paid on a Monday.

Stage 2: Make it repeat

A customer on a plan pays you every visit for 12 months. One weekly cleaning is worth more than ten one-time jobs.

Goals	How	Sell
[ ] 5 customers [ ] 1 customer on a recurring plan	• Ask every customer you send: "Want it every two weeks? Plans save up to 20%." • Follow up a week after their first job: how did it go, what else is on their list? • Share your link in your neighborhood group or HOA newsletter (with permission).	House & Office Cleaning, Lawn Care, Dog Walking, Trash Bin Cleaning

Unlocks: Monthly commissions that keep coming without new work from you.

Stage 3: Sell the whole list

Every home has a to-do list. Customers who book three kinds of services stay longer and pay you more.

Goals	How	Sell
[ ] Customers in 3 service categories [ ] 15 paying jobs	• Use the bundles: after a cleaning, suggest windows and carpets; after a lawn, suggest gutters and power washing. • Use the seasonal calendar below: send the right service before your customers think of it. • Send referral tickets with photos for bigger jobs (painting, repairs, remodels). They pay more.	Window Cleaning, Carpet & Upholstery Cleaning, Gutter Cleaning, Power Washing, Interior Painting

Unlocks: Faster raises: every 10 job credits is +1 point, up to 20% of the job price.

Stage 4: Become the neighborhood go-to

When people ask "who do you use?", the answer is your link.

Goals	How	Sell
[ ] 25 customers [ ] 5 customers on plans [ ] Referral rate 18%+	• Host a table at a block party or school event with your short link and a QR code. • Partner with a local business (barber, coffee shop) to keep your cards at the counter. • Recruit a pro you'd vouch for: they earn, you earn, and your customers get a pro you trust.	Holiday Light Installation, Snow Removal, Leaf Removal, Plan My Event (by Budget), Small Moves & Moving Help

Unlocks: A rate climbing toward 30% of every job, for 12 months per customer.

Road 2: Property & Real Estate Accounts

For: Realtors, property managers, landlords, HOAs and business owners: people who control a lot of recurring work.

The promise: Land a few accounts that order every month, and bundle every service a property needs.

Stage 1: Set up and share

You can't be paid until payouts are set up, and nobody books until they've seen your link.

Goals	How	Sell
[ ] Payouts set up [ ] Your first customer	• Set up payouts on your partner page (2 minutes, Stripe). • Send your next listing or vacant unit as a referral ticket (photos, unit details, timing). • Tell your team and your clients' sellers about the upfront price and photo proof.	Rental Unit Turnover, House & Office Cleaning, Junk Removal

Unlocks: Your first commission, paid on a Monday.

Stage 2: Your first account

One property manager or office can order every month. That's a commission every month, for 12 months.

Goals	How	Sell
[ ] 1 business or property account [ ] 5 paying jobs	• Turn a one-time job into an account: "Want every turnover handled the same way, on one monthly invoice?" • Offer the make-ready bundle for every vacant unit: cleaning, junk, paint touch-ups and repairs. • Get the decision maker's OK to send future units straight to us.	Rental Unit Turnover, Interior Painting, Handyman, Carpet & Upholstery Cleaning

Unlocks: Recurring account work: the steadiest commissions in the program.

Stage 3: Cover the whole property

Grounds, snow, gutters and repairs repeat all year. Sell the property, not the job.

Goals	How	Sell
[ ] 3 accounts [ ] 4 service categories [ ] 2 recurring contracts	• Walk each property with the manager and list every service it needs this year. • Set up seasonal contracts early: lawn in spring, leaves in fall, snow before the first storm. • Bring in commercial work: offices, retail and clinics need janitorial, windows and grounds.	Lawn Care, Snow Removal, Leaf Removal, Gutter Cleaning, Power Washing, Pest Control

Unlocks: A referral rate on the way to 30%, earned on every visit to every property.

Stage 4: Build a book of business

Ten accounts that order monthly is a real business, and every one is our customer too.

Goals	How	Sell
[ ] 10 accounts [ ] $5,000 earned	• Ask every happy manager for one introduction a quarter. • Join your local landlord association or BOMA chapter and bring your link. • Use direct sales for the deals you close yourself: you earn on our profit instead, up to 45%.	Roof Repair & Replacement, Exterior Painting, Fence Install & Repair, Driveway Sealcoating & Asphalt Repair, Security Guards & Patrol

Unlocks: The biggest jobs in the catalog, on accounts that keep ordering.

Road 3: Field Sales Pro

For: People who like talking to customers face to face, part-time or full-time. You close the sale on the spot.

The promise: Write leads, close sales from your phone and climb from 10% to 45% of our profit.

Stage 1: Set up and share

You can't be paid until payouts are set up, and nobody books until they've seen your link.

Goals	How	Sell
[ ] Payouts set up [ ] Your first sales ticket	• Set up payouts on your partner page (2 minutes, Stripe). • Pick one neighborhood or commercial strip and walk it for two hours. • Look for visible work: overgrown lawns, full gutters, dirty windows, junk by the curb.	House & Office Cleaning, Junk Removal, Handyman

Unlocks: Your first commission, paid on a Monday.

Stage 2: Unlock lead pay

Lead pay ($10 per lead) starts after 10 leads and 1 paid-out sale.

Goals	How	Sell
[ ] 10 sales tickets [ ] 1 closed, paid sale	• Take 3–4 photos with the owner's OK and fill out the sales ticket on the spot. • Show the upfront price right away and let them pay on your phone. • Follow up the next day with everyone who said "let me think about it".	Lawn Care, Gutter Cleaning, Window Cleaning, Power Washing, Junk Removal

Unlocks: $10 for every lead (up to 25 a week), paid weekly.

Stage 3: Build your route

Every customer you sell pays you on every job for 12 months. A route of recurring customers compounds.

Goals	How	Sell
[ ] 20 completed direct-sale jobs [ ] 3 customers on plans	• Sell the plan, not the visit: weekly lawn, biweekly cleaning, monthly pest control. • Use bundles to raise every ticket: lawn + gutters + power washing. • Work the same streets weekly so neighbors see the pros at work.	Lawn Care, House & Office Cleaning, Pest Control, Trash Bin Cleaning, Pool Opening, Closing & Cleaning

Unlocks: Fast track: every 10 job credits (a sale counts 1.5) is +1 point, up to 20% of our profit.

Stage 4: Go commercial

Offices, retail, restaurants and property managers order every week and pay the biggest commissions.

Goals	How	Sell
[ ] 2 commercial accounts [ ] Sales rate 20%+ [ ] $10,000 earned	• Visit businesses before opening or after the lunch rush and ask for the owner or manager. • Lead with what hurts: a dirty entrance, overflowing dumpster area, a parking lot that needs sealing. • Bundle the facility: janitorial-style cleaning, windows, grounds, snow and repairs on one account.	House & Office Cleaning, Window Cleaning, Snow Removal, Driveway Sealcoating & Asphalt Repair, Security Guards & Patrol, Intelligent Websites

Unlocks: The ladder all the way to 45% of our profit on every job you sold.

Bundles: turn one job into three

When you hear one of these, suggest the rest. Customers who book three kinds of services stay longer and pay you more.

The rules that keep it working

- Only send people who agreed to hear from us, and only photograph property with the owner's OK.
- Never take payment yourself, and don't promise prices or services we didn't offer.
- Each customer belongs to the first partner who sent them. Referring yourself, your household or your own business doesn't count.
- No spam and no fake reviews. Breaking the rules ends the partnership.
