

# Mark Odom

Sales, Marketing & AI Automation Executive · Detroit, MI · B.S. in Marketing, University of Hawaii

## Professional summary

Sales, marketing and business-development executive with more than 30 years of experience. He has run his own national sales company since 2001, generating more than \$20 million in lifetime revenue. Before that he was an executive recruiter at Korn Ferry and a licensed financial advisor managing more than \$100 million in client assets. Today he designs and builds data, automation and AI systems for organizations, and he has launched an AI-run home and business services company from concept to go-live.

## Core skills

### Sales and business development

- Built and runs a national sales operation (Northwest Ticket & Investment Company, 2001–present), \$20M+ lifetime revenue
- Owns the full client lifecycle: prospecting, closing, account management, retention
- B2B outreach and partnership building: property managers, brokerages, referral partners, factoring partners
- Government contracting: RFP analysis, bid/no-bid decisions, proposal writing (City of Detroit RFPs)

### Marketing strategy

- B.S. in Marketing; 30+ years of strategic marketing for his own businesses
- Local and digital marketing plans: Google Business Profile, local service ads, Nextdoor, SEO, referral programs
- Brand building, customer loyalty and rewards programs, pricing strategy

### Data, automation and AI (founder of IEBC, 2025–present)

- Designs dashboards, CRM pipelines, automated email and text programs, and document systems
- Builds AI tools and AI “workforces” that run business functions with human approval and oversight
- Led the build of a full web and mobile platform (Next.js, React Native, Supabase/Postgres, Stripe, Xero, Claude AI) with automated quoting, dispatch, quality checks and accounting

### Executive leadership and entrepreneurship

- Founder and CEO of three ventures: Northwest Ticket & Investment Company, Integrated Efficiency Business Consultants (IEBC), and Handled Services LLC
- Business plans, 12-month operating plans and financial projections
- Recruiting and workforce programs: job postings, interview process, vetting, onboarding, contractor pay

### Executive recruiting and relationships

- Executive recruiter at Korn Ferry International (2001–2002), placing CEOs, CFOs and COOs for global organizations
- Builds trust with senior leaders, partners and clients

### Finance, compliance and risk

- Financial advisor and asset manager (1991–2001), more than \$100M in client assets
- Held Series 6, 7 and 65 securities licenses and insurance licenses
- Contracts, service agreements, 1099 contractor compliance, bookkeeping set-up (Xero + Stripe)
