Field Sales Representative — Home & Business Services

Handled · Detroit, MI | **Part-time or full-time hours, your choice** | **$10 per lead + commission** | **Paid weekly**

About the job

Handled is a Detroit-area home and business services company: cleaning, lawn and snow, hauling, handyman, painting, roofing, fences, remodels, websites and more, done by background-checked, vetted pros. We're hiring Field Sales Representatives to find customers in their neighborhood, write up the job, and close the sale on the spot with our app.

What you'll do

- Meet homeowners, landlords and local businesses who need work done
- With their OK, take 3–4 photos and write a sales ticket in the Handled app (service, sizes, timing)
- Show the customer their upfront price on the spot and help them book: they pay Handled on your phone or from our text
- Follow up on customers who need time to decide
- Share your referral link and code with realtors, property managers and neighbors

Schedule

Day, evening and weekend hours. Part-time (10–20 hours a week) or full-time (30–40). You choose your hours.

Pay

$10 per lead
for every complete sales ticket for a new customer, paid weekly

+ commission
10% of Handled's profit on every job you sell, rising to 45%; plus 15%–30% of the job price on customers you refer

- Paid every Monday by direct deposit.
- Lead pay is an advance on that lead's commission: when the job pays, the $10 comes out of it; if the lead never books, you keep it. It starts after your first 10 leads and first paid-out sale, and what you built up before then is paid that week.
- Example: a $400 job where the pro is paid $300 earns you $10 at 10%, $45 at 45%.

Earnings depend on the leads you write and the jobs you close; figures are examples, not a guarantee.

What we provide

- The Handled app: instant pricing from photos, sales tickets, your pay and progress
- A short online orientation and sales talking points
- Background-checked, vetted pros who do the work, with photo proof and a free redo if anything's missed
- 100+ services, so almost everyone you talk to needs something

Requirements

- 18 or older; pass a basic identity check
- Smartphone with a camera, comfortable using apps
- Reliable transportation in the Detroit metro
- Friendly, honest, good with people (sales or customer service a plus)
- Direct deposit (bank account or debit card through Stripe)

Apply (2 minutes): `https://handledsvc.com/partners?kind=sales_rep&utm_source=indeed&utm_campaign=field_sales_job#join`

Field Sales Representatives work as independent contractors (1099). We send a 1099-NEC if you earn $600+ in a year.

Indeed settings for this job

Job title	Field Sales Representative — Home & Business Services
Job type	**Part-time** and **Full-time** (they pick their hours). See the note below.
Schedule	Day shift · Evening shift · Weekends as needed · Flexible schedule
Location	Detroit, MI, in person (add Dearborn, Southfield, Warren, Livonia if Indeed allows)
Pay	**$10 per lead** plus commission. If Indeed only takes hourly or weekly ranges, put "$10 per lead + commission" in the description and leave the range blank, or ask Indeed support about piece-rate pay.
Supplemental pay	Commission pay · Bonus opportunities
Benefits	Flexible schedule · Paid weekly
Application	"Apply on company website" → `https://handledsvc.com/partners?kind=sales_rep&utm_source=indeed&utm_campaign=field_sales_job#join`
Screening questions	"Do you have reliable transportation?" · "Do you have a smartphone with a camera?" · "Do you have sales or customer service experience?"
Description	Paste page 1 from "About the job" down to the Apply line.

Why this reads as a job: a real title, specific duties, a schedule, pay per unit of work (per lead), and an employer that provides the product, tools and training. The old post led with "be your own boss / commission only / no quota", which Indeed flags as a business opportunity.

Before you post, talk to your attorney. Part-time/Full-time job types and set hours can make the role look like employment. If reps stay 1099, keep the hours their choice and the pay per lead + commission (as written). Some states treat a per-lead minimum with set hours as wages. If Indeed still flags it, the surest fix is an hourly base as W-2 employees.
